For Immediate Release:

Seafair Pirates capture the U-8 Hydroplane “Miss LLumar”

Driver J.W. Meyers will skipper the “ship” under the watchful eyes of Captain Kidd “Big Boat” Pete Klasell and Bill Wurster - one of the founding members of the Seafair Pirates and President of the U-8 Miss LLumar Race Team.

After plundering the City of Seattle throughout the summer, the Seattle Seafair Pirates have set their sights on the Hydroplanes scheduled to race on Lake Washington on Saturday & Sunday, August 7th & 8th. The Seafair Pirates have encouraged the “Miss LLumar” to become part of their “crew” or suffer retribution at the hands of these scurvy sea dogs.

The U-8 Hydroplane will proudly fly the Jolly Roger along with the name of the Seafair Pirates as she attempts to win the Chevrolet Cup with the Seafair Pirates “Crew” cheering them on from the pits. This should be one of the most exciting races as “hometown favorites” the Seattle Seafair Pirates unite with an Unlimited Hydroplane for the first time.

The U-8 has suffered battle damage at the last two race sites. Drivers Beware – The Seafair Pirates will swarm the pits on Sunday, August 8 to defend our “ship” from any future battle scars and protect our mates down to the last crewmember.
